To whom it may concern,

As Supervisor Show Development & Productions at AIDA Entertainment I am responsible for new show productions, therefore acting as product manager and show producer.

At AIDA Entertainment, we regularly organise try-outs for shows, in which we experiment with new formats and ideas. For two try-outs I was fortunate to book Michał Derlicki as one of our aerial artists.

During these tightly-timed try-out rehearsal periods, Mr. Derlicki learned a solo straps number, performed with three dancers, as well as an acrobatic floor trio routine, an aerial chains duo and multiple ensemble numbers. Despite the short amount of time for learning and practicing, these numbers were performed in perfect quality.

While proving his versatile artistic skills, Mr. Derlicki was a delight to work with. He was always on time for rehearsals during which he treated his teachers and colleagues with appreciation, enthusiasm and respect. He always approached his work with great concentration while paying detail to safety and security.

I therefore highly recommend Mr. Derlicki for further show productions. His great ability to absorb quickly new information paired with supreme dexterity in his floor and aerial work make Mr. Derlicki an exceptional artist.

For any further correspondence about Mr. Derlickis work please do not hesitate to contact me directly on +49 (0) 40 - 30 23 9 167.

Yours faithfully,

Dr. Marissa Munderloh
